## Meeting/Team Discussion

- Next Meeting Sunday, August 31st
- Develop a regular time for meetings - either the 1st or 2nd Sunday of the month.
- Create a set of realistic expectations for committee members - purpose is to provide a sense of commitment to the committee, and to recognize the need for outreach in the community as a real and urgent need. This to be completed by next meeting and added to agenda for review.

### Outreach - What is it?? Review of CG Outreach Mission Statement

- It is to meet the needs physical and spiritual needs of our community.
- It is servanthood in providing and DOING.
- It is to be a witness to the unbelieving.
- It is to follow Jesus's decree to "go out and share the Good News"

Bonnie C identified that the mission statement has not been carried out with regard to the witnessing to the unchurched. Other aspects of servanthood have been genuinely considered and attempted, such as supporting the underprivileged in various capacities.

*Goals:*

- To perform the duties as outlined in the mission statement.

What does this mean?

- Equip and incorporate witnessing into the services/goods that outreach already provides.
- Differentiate ourselves and our church body from the public mass of people doing, good by making Christ known.
- Develop an effort to reach out to the church body and gain involvement.
- Host sessions of spiritual growth with the purpose of equipping ourselves to witness.

*Plan: **TO BE DETERMINED and IMPLEMENTED AT NEXT MEETING***

- Informal Pod Cast night - Paul Washer. Invite to church after August 31st meeting. Set a date and a place.
- Inform CG of Outreach Goals and Missions
- Solicit involvement - request to prayerfully consider stepping out side of comfort zone to do as Christ asks. (Witness)
