

Minutes stewards-April 9, 2015

Present: Rob King, Bob Horne, Cleone Jacobson

1. Reviewed financial report.
2. Water: We are now hooked up to public water. Rob has notified Addy Labs to discontinue water tests. He will also notify the state.
3. Electrical: Major job completed. Working on minor problems with switches.
4. Internet: Due to problems with road construction resulting in no internet service for past weeks, Arden has OK'd 30 day trial service with Century Link vs current Comcast.
5. Lawn mower purchase will come out of road widening fund.
6. Financial report reviewed.
7. AA support group asking for better outdoor lighting on Friendship Center to facilitate safer walking.
8. Workday April 18: List of suggested projects will be posted in foyer this Sunday
 - Bob will coordinate outside projects and Cleone-inside.
 - Add rerouting of gravel path to Friendship Center and repair end of front walkway concrete
 - Request people to bring equipment.

C. Jacobson
