

Stewards committee minutes  
2-14--16

Present: Robb King, Bob Horne, Guy Heney, Cleone Jacobson

1. January financial report not reviewed
2. Initial spraying for box elder bugs done 1/26. Good results. Still many bugs dying. A few were noted flying. May have to call exterminator for minor spraying before he comes back for spring exterior spray.
3. Discussed bid for bi-annual maintenance check for heat pumps. Declined at this time. There still appears to be manipulation of thermostat by users- will monitor.
4. Bob investigated high water runoff bill from assessor's office, Fee will be decreased.
5. Guy-fire inspection. Minor infractions corrected on spot
6. Cleone- proposed revision of bldg usage application packets passed out for review. Final product expected with month.
7. Approval of purchase pastor's chair
8. Active projects: bell tower, playground equip, excess equipment, planting of more trees, status of fire water tank.
