

Stewards committee minutes  
3-13-16

Present: Rob King, Bob Horne, Guy Heney, Cleone Jacobson

1. February financial report reviewed. Concerned about below budget giving.
2. Approved revised building usage request, policy, & fees. **Changes:** -no pets in buildings except service dogs (in compliance with other public building codes) and more detailed sound system usage procedures) Copies can be reviewed in office.
3. Vacuum cleaning volunteers have communicated vacuum cleaner problems. Bob Horne will check the machines out and determine needs. Thank you faithful volunteers.
4. Bell tower project: Significant increased price estimates due to required permits and engineering requirements. Different avenues are being looked at along with perhaps a need for fund raising. When assessment is completed, the matter will be brought to congregation for decision.
5. Monies need for future needs includes siding repair, roofing, sewer.
6. Need to investigate heat pump issues.
7. Looking for ways to inform people of maintenance opportunities (Cleone).
8. Developing cabinet storage for Steward files (Cleone)
9. Planting of trees completed- Thanks Bob
- 10 Currently active: excess equipment (Guy), playground (Andilee), tree trimming by Friendship Center(R&B)
11. On hold: Fire water tank

Cleone Jacobson
